SENATE CONCURRENT MEMORIAL 1001

A CONCURRENT MEMORIAL

URGING THE SECRETARY OF STATE OF THE UNITED STATES AND THE MEMBERS OF THE ARIZONA CONGRESSIONAL DELEGATION TO SUPPORT THE RESTRICTION OF TRAVEL BY SOVIET DIPLOMATS IN THIS STATE.

- 1 To the Secretary of State of the United States and the Members of the
2 Congressional Delegation from this state:
3 Your memorialist respectfully represents:
4 Whereas, the United States Department of State recently amended
5 diplomatic travel restrictions so that Soviet diplomatic personnel in the
6 United States now have access to Phoenix, Tucson and Yuma from which they
7 had previously been barred; and
8 Whereas, the director of the Federal Bureau of Investigation,
9 William Webster, was quoted in the Washington D.C. "Times" of April 25,
10 1983 as saying "there are about three thousand Soviet bloc diplomats in the
11 United States and thirty to forty per cent pursue U.S. secrets especially
12 military information and laser and computer technology."; and
13 Whereas, in addition to important military bases in this state there
14 are according to the Arizona International Trade Directory a large number
15 of firms located in this state whose operations make them prime targets for
16 Soviet technology espionage.
17 Wherefore your memorialist, the Senate of the State of Arizona, the House
18 of Representatives concurring, prays:
19 1. That the Secretary of State of the United States and every Member
20 of the Congressional Delegation from this state support the restriction of
21 travel by Soviet bloc diplomats in this state.
22 2. That the Secretary of State of the State of Arizona transmit
23 copies of this Memorial to the Secretary of State of the United States and
24 to each Member of the Congressional Delegation from this state.
